Safety Solutions

Personal Protective Equipment (PPE)

Personal Protective Equipment is critical for protecting workers from physical, chemical, and biological hazards. We offer durable hard hats designed to absorb impact and resist penetration, safety goggles with anti-scratch and anti-fog coatings to shield against debris and splashes, and advanced respirator masks with electrostatic filters for effective particulate trapping.

- ❖ Safety Sets (High-visibility vests, safety boots, helmets, and more)
- ❖ Road Safety Equipment (Signage, traffic cones, reflective tapes, transport kits, etc.)
- ❖ Face Shields, Hearing Protection, and Respiratory Masks
- ❖ Cut-resistant Gloves and Chemical-resistant Gloves
- ❖ Flame-retardant Clothing for high-risk environments
- ❖ Full-body Harnesses and Safety Belts for working at heights

Monitoring and Communication

We provide comprehensive solutions to enhance workplace security and communication. Our products include advanced surveillance systems like high-definition CCTV cameras with night vision capabilities and remote monitoring options. We also offer emergency communication tools such as PA systems, two-way radios, and intercoms to ensure smooth coordination during critical situations. Gas detectors for hazardous environments are part of our catalog, designed to alert users to unsafe conditions instantly.

In addition, we cater to the needs of security personnel with essential supplies, including:

- ❖ Uniforms and reflective vests for high visibility
- ❖ Tactical flashlights for low-light operations
- ❖ Communication earpieces for discreet coordination
- ❖ Metal detectors for access control
- ❖ Security batons and safety belts

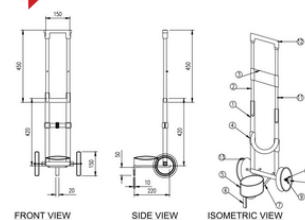

These solutions ensure robust monitoring, effective communication, and enhanced safety across all facilities.

Fire Safety Equipment

Our fire safety products include fire extinguishers, smoke detectors, sprinkler systems, and emergency exit signs. These essential items provide effective fire prevention and evacuation support.

General, Lighting and Road Safety

Our general safety supplies include safety barriers, anti-slip mats, warning signs, and lockout systems, helping businesses maintain a secure and accident-free environment. Our Emergency lighting systems, glow-in-the-dark signage, and safety gates, ensures clear pathways and safe movement during critical situations.

Emergency Response

We offer first aid kits, eyewash stations, emergency showers, and AEDs, ensuring quick response solutions for workplace emergencies and employee safety.

Hazardous Material Handling

Our hazardous material solutions include chemical storage cabinets, spill containment systems, and safety cans, offering secure handling and storage for hazardous substances.
